**GIVE ALL SQUARE DEAL CODE STILL OBTAINS IN THE WEST**  
Theory is Exemplified in Bill Hart's Big Picture, "Square Deal Sanderson"

To be fair, above all—to give the other fellow a chance, no matter what his character—is a code that obtains in the West today as it did long ago. In William S. Hart's new Artercraft picture, "Square Deal Sanderson," it is seen how a pursuer shoots a horse thief in the back. This so angers the watcher that he

is almost gratified when the dying culprit manages to revenge himself by shooting his assailant.

This new picture will be seen at the Cozy theatre and will be found as thrilling as any in which the western star has ever appeared. There is a lovely girl—Ann Little plays the part—who owns a ranch in Mexico. She is beset by scoundrels who are trying to get her property. She is rescued by the hero, "Square Deal Sanderson," played by Bill Hart, and of course they fall in love.

There is hard riding, fighting and

gunplay a plenty. There is romance and breeziness of the west in every foot of film. It is a picture to see and see again and to remember because it is so graphic and withal so wholesome. The supporting company is of the highest grade.

ALICE TERRY PROMINENT  
AS WASHINGTON PLAYER

Alice Terry, who is seen in the Corinne Griffith picture, "Thin Ice," which will be shown in the Cozy Theatre on Monday, won distinction

with the Washington Square Players before coming to the screen with Vitagraph. She is a native Texan and is fond of all kinds of outdoor recreations. "Thin Ice," which was written for Miss Griffith by Shannon Fife, is the story of a woman's fight against great odds for love and honor and gives the Vitagraph star one of her strongest roles. Tom Mills directed the picture and others in the supporting cast are L. Rogers Lytle, Charles Kent and Eulalie Jensen.
